Dear Mom & Dad,

I am waiting for the grill to heat to fix pancakes, Diane is watching her program, and Mike is reading the newspaper this morning.

I'm going out later to look for some more toys and clothes for Diane, and things for her birthday party next Saturday. I think on Sunday we will have Jim & Vickie and Sue & Sam over for ~~an~~ another birthday dinner for Diane.

Mike is enjoying relaxing, although he may fly out there next ^{Friday or} Saturday for a 1 day

Energy Conference and come back that night. Love, Mary
